# Ladislav Prix

I'm a 23 years old developer mostly interested in web developement, especially backend. I'm manly focused on Microsoft platform (.NET Core, C# ...) and cloud developement (Azure, AWS ...) but im not restricted to that area.

## How you can contact me.

My full name is **Ladislav Prix** and I'm based in **Prague, Czech Republic**.

You can write me an email contact@ladislavprix.cz.
You can find me on https://linked.in/ladislavprix or https://github.com/prixladi.
Or you can use my personal Website ladislavprix.cz to contact me too.

## Projects i have worked / been working on.

I started working in the developement field in the first year of college.

- TreeLoc - https://github.com/prixladi/treeloc *2019-2020*
  My bachelor thesis assignment. It is web aplication for Ministry of Interior that shows open data provider advantages of using Open formal norm. It downloads data about woody plants from Czech National Open Data Catalog, displays them in map and allows filtration in them.
  **Technologies**: C#, ASP.NET, Core, SignalR, JavaScript, TypeScript, React, Leaflet, MongoDB

- Haidy - https://qest.cz/casestudies/haidy/ *2017-present*
  Home automation system based on microservice architecture that I have been working on in Qest.

**Technologies**: C#, ASP.NET Core, SignalR, MongoDB, RabbitMQ, IdentityServer 4, Entity Framework Core

- Shipvio - https://qest.cz/casestudies/shipvio/ *2017-2019*

  A logistic platform connecting carriers and customers that I have been working on in Qest.

  **Technologies**: C#, ASP.NET Core, SQL Server, T-SQL, Entity Framework Core

- Personal website - https://github.com/prixladi/ladislavprix *2020*

  Personal website built with React, overkill i know but i have bigger plans with this.

  **Technologies**: CSS, JavaScript, React Core

# My work experience.

I started working in the developement field in the first year of college.
